I think I will go ahead and extend it. Interest in it just won't go away.
And if you would please, get the latest update from DEQ. Our big boss is going to NOLA, and he needs info on issues.

Subject: Bayou Corne

Greg,

Do you think you will keep the Bayou Corne TDD open past the current due date of 1/30/13? We are trying to put together a list for Cora and Linda of projects with interim or final due dates around the end of the year.

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced

9544090

into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
